

Pennsylvania: Office of Medical Marijuana To Announce First Grower License Recipients Tuesday

Tuesday 20 June at 1pm, John Collins, the Director of the Office of Medical Marijuana, will hold a press briefing to announce the recipients of the first twelve permits to grow and process medical marijuana in Pennsylvania, and provide additional information about implementation progress to date. Attendance will be limited to those with press credentials, but a live stream of the event will be available at http://pacast.com/players/live_doh.asp.
