Congress Won't Give Jeff Sessions Money to Fight State Marijuana Laws

<http://www.newsweek.com/congress-wont-give-jeff-sessions-money-fight-state-marijuana-laws-593188>

A bipartisan group of House Democrats and Republicans agreed Sunday to \$1 trillion in government spending to avoid a shutdown and see them through to the end of September.

But while it also gave \$1.5 billion more for border security and \$12.5 billion for new military spending, there [wasn't any money for Sessions](#) to go after states that have legalized medical marijuana and or where the recreational use of the drug is legal.
